We hope you can join us for this exciting event! It promises to be a grand evening with dinner, beverages, fellowship and door prizes followed by music from the Wright Brothers Band! Our hope is that you and your guests will enjoy hearing about our accomplishments over the last year, and meeting Marine Sargent Jessie James, the homeowner of our 2012 Wounded Warrior Build. Our goal is not only to secure funding for future homes, but to also build the ranks of our volunteers who help us hammer nails and paint walls throughout the year!
