IDEA # 596: On 11/8 patient fell in the parking lot at the CSR parking lot. Patient had to park in gravel area because there were no other spots, gravel was most likely a contributing factor to the fall. Consider adding a couple of patient only parking spots next to pick up shelters on paved surface.

Suggested resolution: _____

IDEA # 600: If a Vietnam Veteran asks for help with compensation for Agent Orange, you help him, not refer him to another place. Start the help ASAP.
