

Attention Veterans with Appointments on October 19

The City of Indianapolis will close the West Tenth Street Bridge that crosses the White River on October 19 from 10 am until 12:30 pm. The bridge will be closed as part of the dedication ceremony, marking the renaming the bridge as the Medal of Honor Bridge. The ceremony is at 11 am and Medal of Honor recipients will be available from 11:30 until 12:30 for you to meet.

During that time, you will be able to access the VA Medical Center coming from the east on Tenth Street.

If you normally come over the bridge, please consider parking at one of the two offsite parking lots and riding the shuttle to the medical center. The lots are marked on this map. If you decide to drive to the medical center, please see the red arrows for alternate routing.
