

You are invited to a **Community-Wide Student Veteran Forum**

Hosted by *Veterans@IUPUI*, the student veteran organization at Indiana University-Purdue University Indianapolis, and *University Veterans Post 360*, Indiana's youngest and most innovative American Legion post.

Please join us as we welcome the newly-elected American Legion Department of Indiana Commander Richard Jewell as our special guest.

Commander Jewell is specifically interested in the concerns of the young wartime veteran, and has the passion and position to take those issues straight to the Statehouse and beyond. The Commander will talk briefly, but he is eager to hear what is on the hearts and minds of Hoosier vets – then find clear ways to help.

This event is open to everyone: student veterans from Butler, Franklin, Harrison, IU, Indiana Wesleyan, ITT, Ivy Tech, Marian, Martin, Purdue, U of I, etc. – even alumni, non-students, and Guard/Reserve/Active Duty. ***Spread the word!***
